

## NOTICE OF FUTURE CONSTRUCTION

### NORTH SHORE ROAD AND TRAIL CONSTRUCTION (Intersection of Fenton Drive and McVicar Street to the intersection of Bushwood Lane and North Shore Road)

#### Project

The project consists of placing large armourstone along the water's edge (toe of slope) and then rebuilding the slope up to the existing trail and rehabilitation of the area. The result will be a three-metre (m) wide trail beside the existing road.

**Northshore Road will be closed from the intersection of Fenton Drive and McVicar Street to the intersection of Bushwood Lane and North Shore Road. There will be a detour in place for both vehicular and pedestrian traffic during the construction.**

#### Timing

Construction is expected to commence the week of September 5, 2022. The Town anticipates construction to last until mid to late December.

#### Road Closures

The road will be closed to through traffic while the shoreline protection work is completed. Local traffic will be permitted for those who live within the block that is being reconstructed.

For complaints, questions, and comments, please contact  
Project Staff:

Dale Erb Phone: 519-524-2641  
Email: [derb@bmross.net](mailto:derb@bmross.net)

Ryan Errington Phone: 519-832-2008 x130
